"I have so much fun at The Esplanade! My friends & the staff here are very supportive, they have become my second family. It is such a comfort to know that I am safe and secure in my home at Esplanade....not to mention the great times we all have together!"

---Virginia Harmon

Residents are warmhearted interesting people who enjoy the freedom of Assisted Living, freedom from the worries and dangers of solitary living, freedom from cooking and cleaning, freedom to come and go as one pleases in surroundings that are kind, gracious and secure knowing someone is always at hand if help is needed.

When sitting down to a meal at the Esplanade, you will be delighted to dine on healthy and delicious food, served restaurant-style in our upscale dining room. It's also a great time to catch up with friends. If you have a special recipe or a favorite dish, let us know, and we may add it to our menu choices!

The Esplanade's vibrant Life Enrichment program features new adventures, exciting opportunities to learn, and wellness activities. Our programs help build meaningful friendships, allow freedom of choice and participation level.

The Esplanade has a dynamic, caring team, including 24-hour resident attendants, and supportive ancillary staff. We value our employees as much as our residents. Every team member at The Esplanade strives to do whatever it takes to ensure each resident's experience is comfortable and unique.

"The Esperanza is a place where independence, dignity and privacy are respected. It is a place to call home."
